Southpointe High is the last place Lucy wanted to wind up her senior year of school. Right up until she stumbles into Jude Ryder, a guy whose name has become its own verb, and synonymous with trouble. He's got a rap sheet that runs longer than a senior thesis, has had his name sighed, shouted, and cursed by more women than Lucy dares to ask, and lives at the local boys home where disturbed seems to be the status quo for the residents. Lucy had a stable at best, quirky at worst, upbringing. She lives for wearing the satin down on her ballet shoes, has her sights set on Juilliard, and has been careful to keep trouble out of her life. Up until now... Jude's everything she knows she needs to stay away from if she wants to separate her past from her future. But she's about to find out that staying away is the only thing she's incapable of.

For Lucy Larson and Jude Ryder, love might be the thing that just isn't enough. The only easy thing about Jude and Lucy's relationship is their love for one another. Everything else is hard. Especially when it comes to reining in Jude's trigger touch temper and Lucy's increasing jealousy of the female attention that Jude attracts. Feeling the stress of trying to hang on to her quintessential bad boy while becoming the foremost dancer in her class, Lucy knows something's going to break. She wants both. She needs both. But if she doesn't make a choice, she risks losing everything. Full of passion, steamy scenes and hot romance, CLASH is a must for fans of BEAUTIFUL DISASTER and PERFECT CHEMISTRY.

Fans of Crash and Clash will be dying to get their hands on this third red-hot romance featuring Lucy and Jude. Anyone who loved, Slammedby Colleen Hoover, Beautiful Disaster by Jamie McGuire and Just For Now by Abbi Glines will love this series from Nicole.

From NEW YORK TIMES and USATODAY Bestselling author Nicole Williams . . . Knox Jagger. The name inspires resentment in every male at Sinclair University, want in every female, and contempt in Charlie Chase. Charlie can be summed up in three words: independent, independent, and independent. To Charlie, Knox epitomizes everything that's wrong with college males: prolific one-night stands, drunken senseless fights, and a body that hints at prioritizing gym time over study time. As an up-and-coming writer for Sinclair University's newspaper, Charlie's tasked with getting to the bottom of who's been dropping little white pills into girls' drinks at parties. In an ocean of All-American boys sporting polo shirts and innocent smiles, Knox is the obvious suspect. As evidence piles up against the bad boy of Sinclair, Charlie becomes more and more certain it isn't Knox. But when her drink is dosed at a party and she wakes up on Knox's couch the next morning, Charlie's left with more questions than answers when it comes to Knox Jagger. How can Charlie ever hope to uncover the truth behind a guy so closed off he's become . . . Hard Knox. ***Hard Knox is the first book in The Outsider Chronicles, although each book that follows will highlight different couples and each can be read as a stand-alone.***

College sophomore Bryn Dawson is a self-proclaimed poster child for normal. However, the day William Hayward enters her life, normalcy is the last thing Bryn will be able to count on if she wants to be with him. Too mysterious and appealing to be good for a girl, Bryn feels drawn to him in a way that seems out of her control-as if fate is orchestrating it. Despite every red flag and warning siren going off in her head telling her not to, Bryn falls hard for William, knowing he's categorically different from anyone she's ever met. She never imagined how right she was. When William takes her deeper into the rabbit hole of his world, Bryn must decide just how much she is willing to sacrifice to be with him, knowing no matter what, fate always finds a way to have the last laugh. Spinning a new twist on star-crossed lovers, Eternal Eden will put Bryn through a gauntlet of turmoil, challenging her to find the power within herself to become the heroine in her own story.

Elle Montgomery is a good girl. Born and raised in a small town in Washington State, she's always done exactly what she's supposed to and what everyone expects of her. She helps out at the café her family owns, and has been dating the pastor's son, Logan, since she was allowed to go on her first date at sixteen. Having just graduated from high school, and knowing that Logan wants to put a ring on her finger and get married as soon possible, Elle feels like her life is already mapped out. Cole Carson's life couldn't be more different. An adrenaline junkie, he has worked as a smokejumper for the past three summers, roaming from town to town following the fires. Cole lives his life day to day and dreads the thought of putting down roots or being tied to one person. Following an awkward, embarrassing first meeting, Elle knows she should keep away from Cole and the feelings he ignites in her. And Cole just can't help but pursue Elle, the girl who seems immune to his charms. But as summer heats up, their attraction grows, and as tensions between them run high, Elle and Cole realise that one way or another, they're going up in flames...
