Painting the Faces of Wildlife is wonderful for the beginner or intermediate artist.

The step by step demonstrations take the student from the initial sketch right through to the completed painting. Kalon shows great detail in each step where one can see the beginning, middle, and final results with an understanding for why everything was done and how it reflects in the completed painting.

This book covers in detail wildlife painting. Has lots of great tips like fur detail and lots of step by step areas taking you from the photo all the way to the finished painting. My only minor qualm is that it takes you from photo to finished product in about 8 steps. It might be hard for a beginner to make the leaps from step to step.
